

Interesting Facts about The Archangels by Kathy Zengolewicz

The first fact that amazed me about the archangels is that there are 15 of them. I have always considered myself a spiritual, and in my younger days, religious person. However, I had no idea that there were so many archangels. We all know about Michael, Gabriel and Rafael, but there are twelve more. This intrigued me so much that I did a little bit of research and I would like to tell you a little bit about each one of them.

Ariel – whose name means “Lion or lioness of God.” She is associated with healing and protecting beings in nature and that includes the animals, fish and birds. Ariel is considered the Patron Angel of Wild Animals.

Azrael – His name means “Who God Helps.” His role is primarily to cross people over into Heaven when their physical life has ended here on earth. The “Angel of Death,” Azrael aides in the comfort of the dying and helps them to accept the welcome they receive on the other side. Azrael is the Patron Angel of the Clergy.

Chamuel – whose name means “He who sees or seeks God.” He is a powerful healer and a leader in the Angelic hierarchy. He protects you from fearful and lower energies. He helps you find unconditional love and strengthens relationships. He is the Patron Angel of Peace and Calmness.

Gabriel – whose name means “God is my strength.” Gabriel helps those whose life purpose involves communication. Gabriel is the Patron Angel of all who work in the communications field, and postal workers.

Haniel – Her name means “Glory of God.” She helps us to enjoy and accept more grace into our lives. Haniel is involved with the Moon energy, clairvoyance and grace. She is the Angel of Feminine Support.

Jeremiel – His name means “Mercy of God.” He helps those newly crossed over souls to review their lives as well as helping the living to make positive changes in their lives. He is the Angel of Emotional Healing.

Jophiel – whose name means “Beauty of God.” She helps us to add and attract beauty into our lives. She helps us to perceive, with thoughts, the beauty in our lives. She is the Angel of Beauty and Patron Angel of Artists.

Metatron – He is a fiery and energetic angel who has a special place in his heart for children. He is also one of only two archangels who had lived as a human man. While on Earth he was known as Enoch, a prophet and a scribe. The new Indigo and Crystal children are under his guidance. Metatron is known as the Patron Angel of Children.

Michael – “He who is like God.” Michael’s main function is to rid the Earth of fear. He is the leader of the Archangels. He is the Angel of protection, justice and strength. He is known as the Angel of Protection and Courage and the Patron Angel of Policemen.

Raguel – His name means “Friend of God.” His primary role is in Heaven making sure that the Angels and Archangels are working together in harmony and according to the Divine Order. Raguel is considered The Relationship Angel.

Rafael – whose name means “God heals.” Rafael is the healer of physical bodies for both humans and animals. He is the angel of love, joy and laughter. He helps to heal your mind, body and soul. He is known as the Healing Angel and Patron Angel of those in the medical field.

Raziel – His name means “Secret of God.” He knows the secrets of the universe and how it operates. He helps you to know and feel Divine guidance. Raziel is the Patron Angel of Lawyers and law makers.

Sandalphon – mean “brother” in Greek. He is the twin brother of the Archangel Metatron. He was, like Metatron, originally a mortal man. Sandalphon carries human prayers to God. He is the Patron Angel of Music.

Uriel – “God is light.” He helps with natural disasters. He is an angel of nature, visions and the custodian of prophecy and spiritual understanding. Uriel is the Angel of Wisdom and The Patron Angel of Literature and Music.

Zadkiel – His name means “Righteousness of God.” Zadkiel helps us to have mercy and compassion toward ourselves and others. He is the Angel of freedom and mercy and Patron Angel of all who forgive.

Well, I hope that you enjoyed learning a little bit about the Archangels. I enjoyed researching and writing about them. In the future I hope to go a little more “in-depth” about them. I find the facts fascinating and educational.
